Follow the best players in the world with this database detailing their profiles, teams, and accomplishments. Find the top scorers, defenders, and even highest paid athletes, plus read player comparisons and winners lists from as early as the 1800s. [Total: 478 Average: 4.3/5]Be better than an opponent frequent a point of Head Soccer 2. Very competition game which provides you an adrenalin fight for being a champion. The concept of a game is based on a Premier League. You chose between twenty teams, which are like an in the real Premier League. The main goal of playing is to in one minute give more goals than an opponent and become a champion. During the play, you can hit a ball with head and foot. Also, jumping is a crucial part of a way to fling a ball in opponents net. Difficult of the opponent depends on the team against you play. In the course of the game Head Soccer 2 appears bonuses which can assist you or decrease the chance to win. It's up to you, be a clever and snappy. After every match, you gather an amount of money. The amount depends on how you finished your match. That cash grants you the opportunity to upgrade and enhance your ability and other features which help you to net easier. During the season you play with every league team, and every match is playing in a different ambient with numerous obstacles. Every team is represented by one player who is the best in that team. And you will recognize every player because the faces are very realistic. Head Soccer 2 is a very infectious game. I can't stop playing it, because of challenging and interesting attributes of the game. It's very challenging because I am fighting with other teams for the first place in the leagues. There are real teams and players who make it's more challenging. The game itself is very dynamic and full of features which make it abnormally exciting. It propels you to play more and more. There are also strategic elements. You choose in which will develop your player, which abilities will be better. That permits you feeling that you at the same time a manager and player. Similar flash games game History Bookmarks We combined volleyball and football together and we got Head Soccer 2 Player. It can be played as one and then your computer will become your rival, or together with a real opponent. Choose a soccer player from among four applicants and you drive him on the field to the net. The match will last ninety seconds. The ball falls from above and you must deftly hit it with your head through the net to the side of the opponent. If he fails to beat the serve, you will be awarded a victory point. Who will earn more points in the allotted time will be the winner. 2 Player Head Football is another fun soccer game for 2 players with all those big headed famous players which you can enjoy online and for free. Select your favorite player from all times, like the great brazilian Mele or Portugal's Cris Donarlo and play some challenging matches against the CPU or against one of your best friends on the same computer. Just jump and hit the ball into your opponent's goal as many times as possible until the end of the match to win the game. You can chose the color and pattern of the football, as well as the kind of field, the weather and the mood of these funny looking big heads. Do you want to play against a happy or a grim face? This seems like a minor detail, but their visages are so big, it definitely makes a relevant difference. Have fun with this free online sports game 2 Player Head Football on Silvergames.com! Controls: WASD = move player 1, Arrows = move player 2 Page 22 Player Games are multiplayer games which allow two players compete against each other in online battles using one computer or mobile device.
