## A SWOT ANALYSIS OF THE LABELING THEORY OF SOCIAL DEVIANCE

Dan Jerome S. Barrera  
**Negros Oriental State University**  
Dumaguete City

Presented on Sept. 26, 2015 at the UC Graduate PhD-CJ Class under **Dr. Paulino Pioquinto**

### Objectives

- After the presentation, the learner shall be able to:
  - discuss the theoretical foundations and propositions of the labeling theory; and
  - enumerate and discuss the strengths, weaknesses, opportunities, and threats against the usage and growth of the theory.

by

Carlton Isaac (Zak) Lancaster

A dissertation submitted in partial fulfillment  
of the requirements for the degree of  
Doctor of Philosophy  
(English and Education)  
in The University of Michigan  
2012

Doctoral Committee:

Professor Anne Ruggles Gere, Co-Chair  
Professor Anne L. Curzan, Co-Chair  
Emeritus Professor John M. Swales  
Professor Mary J. Schleppergrell  
Professor Ellen L. Barton

Relevance of sociology to law students. Why is sociology good for law. Is sociology useful for law. What is the relevance of sociology of education. Relevance of sociology to law pdf.

Sociology is rich in relevance and scope. Sociological School of Jurisprudence. Roscoe Pound (1870–1964) was the first jurist to make the social dimensions of law, a central concern of Anglo-American jurisprudence. He was by no means the originator of the sociological tradition in law, which in fact commenced in Germany and France. Pound's achievement was to combine thoroughgoing ... The sociology of law (or legal sociology) is often described as a sub-discipline of sociology or an interdisciplinary approach within legal studies. Some see sociology of law as belonging "necessarily" to the field of sociology, but others tend to consider it a field of research caught up between the disciplines of law and sociology. Still others regard it neither a subdiscipline of ... Sociological School of Jurisprudence. Roscoe Pound (1870–1964) was the first jurist to make the social dimensions of law, a central concern of Anglo-American jurisprudence. He was by no means the originator of the sociological tradition in law, which in fact commenced in Germany and France. Pound's achievement was to combine thoroughgoing ... 24/12/2021 · Sociology is widely used in criminology for rehabilitation and transformation of criminals. One of the most common use of sociology theories is the use of cognitive restructuring theories. The common approach of cognitive restructuring theories is that unreasonable beliefs of the criminals should be taken apart then the criminal will be rid of ... Sociology as an academic discipline is vital in analyzing the relationships that are ensued as a part of interacting with the environment, the different natures of these relationships, the origin of cultures and traditions, the relationship between economic, social and political power, etc. Sociology is rich in relevance and scope. Sociology improves our understanding of society and increases the power of social action, capabilities, talents and limitations. It enables him to adjust himself to the environment. Knowledge of society, social groups, social institutions, associations, their functions etc. helps us to lead an effective social life. 4. Sociology has made it possible to study society in a scientific manner. This scientific knowledge about human society is needed in order to achieve progress in various fields. Sociology throws more light on the social nature of man. Sociology delves deep into the social nature of man. The sociology of law (or legal sociology) is often described as a sub-discipline of sociology or an interdisciplinary approach within legal studies. Some see sociology of law as belonging "necessarily" to the field of sociology, but others tend to consider it a field of research caught up between the disciplines of law and sociology.
